

Junior Golf League Player Agreement Form

The Springfield Junior golf league is an opportunity for Juniors (ages 5 – 17) to play competitive golf, in a friendly environment, on a weekly basis. We believe that this golf league will help junior golfers develop valuable life skills, character, good sportsmanship, golf skills and friendships.

As a member of this league, I agree to:

- Show respect to my playing partners, Springfield staff, and volunteers at all times
- Take care of the golf course so that it's a great place to play:
 - Pick up after myself and pick up any litter found on the course
 - Fix my divots
 - Repair my ball marks
 - Rake the bunker
- Be on time for my tee time
- Keep an honest score
- Use proper language (words that you would say in front of your parents!)
- Avoid throwing clubs

I understand that failure to maintain these behaviors will make me ineligible to participate in the Springfield Junior Golf league.
